FOREWORD

With the close of the '51, '52 school year we are attempting to give a summary of the whole year's work and play. In this annual it has been the hope of the staff that former annuals might be improved upon and that all activities might be included in order that this book will offer a life long memory.

PROPHECY OF CLASS OF 52

Here he is, the Swami from Salamie, the greatest fortune teller alive. He will now bring forth his Crystal Ball and tell the fortunes of us all.

His first vision in the Crystal Ball is Ross King and Chester Shepherd, who have just put their two remaining brain cells together, after six long years at D. C. H. S. and invented the "Rosschester Mobile."

Next he sees Lee Anderson, racing madly around the Indianapolis Speedway in his hopped up racing car, which he has just purchased from the "Rosschester" Mobile Company.

Rose Winkler and Betty Craig are now running a bachelors home for men between the ages of 18 and 22. Attention to all interested boys, requirements are: Must be 5' 8" to 6' 3", be good looking, and have a car and money.

Dick Rossmeisl is now a famous lawyer specializing in divorce cases. He got his experience from sympathizing with all the girls around D. C. H. S.

There goes Darlene Harrison into the hen house to gather the large white eggs. She is now the wife of the nation's top chicken raiser.

Lyman Mundy is now working on a new secret atomic formula for removing freckles. It is guaranteed to remove all other prominent features of the face, such as; nose, eyes, eyebrows, etc.

Click-Clack: Don't get scared folks it is only Lois Mikelson typing out her bosses last minutes report. She is now a private secretary for the Burpo Pop Company.

We now see Dick Engel, Donnie Gelroth, and Loren Gordon, the sole owners and managers of the D. D. L. Night Club. They specialize in Wine, Women, and Song.

Beverly Harrison is now living in the one and only mansion in Louviers, she is now married to one of the owners of the D. D. L. Night Club.

Louise Rosendale is now in her dressing room, hurriedly getting ready for her next performance in the Circus. No, folks, she isn't the fat lady, but a famous trapeze artist.

Whoa Horse! Here comes Mary Elizabeth Williams galloping across on her hobby horse. She is now the proud owner of the "Shaggy Horse Hunt Club."

Here comes Mavis Hitchcock gliding by on her new wooden ice skates. She is now the top star in the Ice Capades of 1962.

Gene Walker has now taken over the Dirt Diggers Association of Franktown. His new nickname is "Digger O Del."

Kent Smith is well on his way of becoming a famous man. The credit is given to his Hopalong Smithy Cereal for kids between the ages of 60 and 95.

Helen Shea, the Madam Curie of Franktown has just announced that she has found the secret to take the burp out of Pepsi Cola.

Raymond Mosley is now sitting in the chair of his previous Superintendent. He is now president of the school board.

Charles Williams is the head tester for baby's toys, he seems to enjoy his work. Make sure their safe, Charles.

We now see Dean Sprigg drawing a new comic strip, which is called Bonnie Braids Luellen.

Here comes Albert Peters, adjusting all the trimmings on his Navy uniforms, you see he is now Ensign Peters.

Harvey Holt is now seen as the head wrestling coach at C. W. C. Better watch out Harvey, those women are tough.

Charles Hessler now owns the largest farm in the state of Colorado. Keep up the good work, Charles.

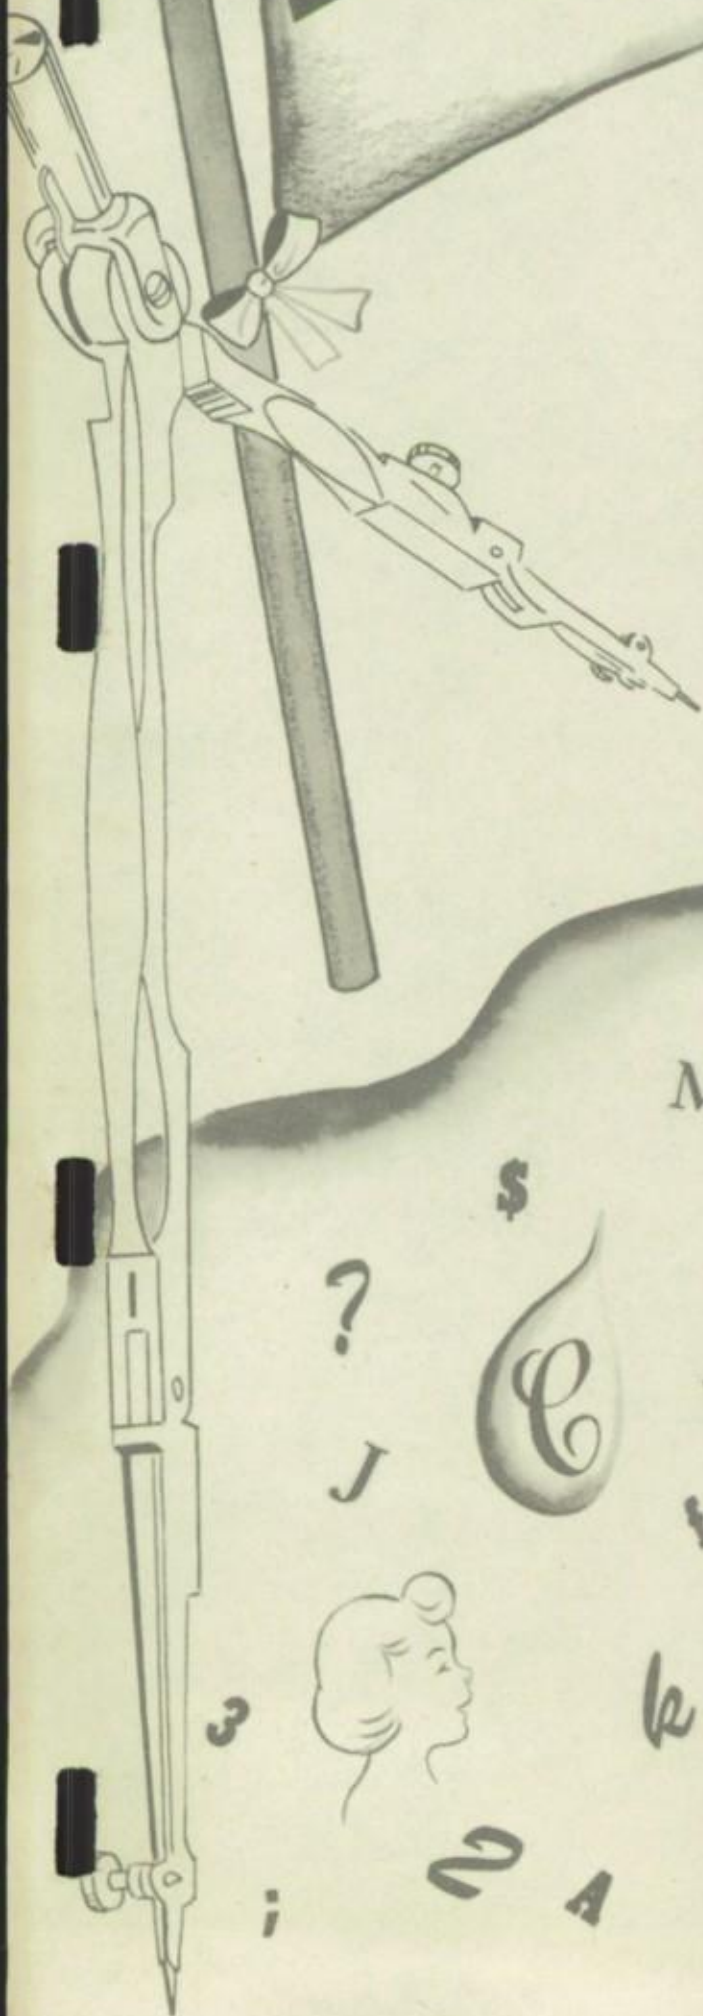

Gladys Lambert and Jimmy Driver now own Johnson's Corner. It is no longer called this, it's new name is the "Driver Inn."

Henry Curtis now designs and models his own creations, which are French type bathing suits manufactured from the new tear, shrink, and crease resistant clearflex material.

Here it is 1962, we now see Sidney Faver with black, wavy hair. You see he now uses----a wig.

Richard Ehmann and Jim Echols who now live in Texas, own a large line of oil wells. All the coeds are falling for their line--of oil wells that is.

This prophecy, like the weather forecast, should not be taken too seriously.
